

To our Sister Churches of like faith and order,

It is my great honor to offer a word of recommendation for Evangelist Hagen Adams. Brother Hagen and his wife Amanda are members here at New Bethel MBC and we are very excited to have them serving along side us in the Lord's good work. The Lord has placed a burden on Brother Hagen's heart to preach the glorious gospel our Lord Jesus Christ across this great land. Brother Hagen is a fulltime evangelist, and the Lord has opened many doors for him to preach in revival meetings, youth camps, mission conferences and pulpit supply.

In addition to these current areas of ministry, God has opened the door for Brother Hagen to start up an old time Gospel Tent ministry. Our rich Baptist history has proven that God uses the tent ministry to win lost souls to the Lord, stir the hearts of those who have grown cold and indifferent, as well as encourage the faithful saints of God to not grow weary in well doing. New Bethel is very grateful to be a part of this return to the old paths that God has and continues to greatly bless.

It would be my pleasure to personally speak with you about Brother Hagen and how the Lord could possibly use him to be of service to you and your church.

May the Lord continue His Amazing Grace on you and His good work at your local church.

God bless,
